PROFESSIONAL SUMMARY

Demand generation operator who owns the compounding loop between content, community, and distribution, not a single channel. Founded and grew Marketing In Action from zero into a 5,000+ subscriber community and academy platform that compounds through peer referral, the exact PLG-adjacent, self-serve growth mechanic this role is built around. Work has contributed to \$10M+ in qualified pipeline across B2B SaaS and FinTech companies. More at jamespraise.xyz/work/leadfeeder.
