PROFESSIONAL SUMMARY

Growth and product marketer who has built search, content, lifecycle and launch programs for fintech and SaaS companies since 2018, across Africa, North America and Europe. I find the searches and AI answers where customers compare options and never see the product, build the pages and messages that put it there, and measure the result in installs and revenue. My fintech work includes leading growth and marketing at Bujeti (YC W23) and product marketing at Bento Africa across four African countries. I live in Lagos and write a weekly newsletter read mostly by Nigerians at home and in the US. More at jamespraise.xyz/work/taptap-send.

PROFESSIONAL EXPERIENCE

Founder | Marketing In Action | Apr 2024 – Present
Marketing In Action (newsletter, academy and marketing services, Nigeria, US, UK)

- Grew the newsletter to 5,000+ subscribers at a 47% average open rate and 11% click-through rate, read mainly in Nigeria (46%) and the US (32%).
- Built a self-running SEO and AI search measurement system on the Search Console, URL Inspection and GA4 APIs for a Nigerian consumer site I own. Its first audit found 34 of 60 pages unknown to Google, a gap dashboards had missed for seven weeks.
- Built a paid-acquisition system that reconciles platform-reported conversions against backend sales; it caught Meta crediting one product with another's sales.

Reform (SaaS, MarTech, conversion-focused form builder, acquired by FunnelEnvy)

- Built an AI-assisted SEO engine and integration pages: 48% rise in non-branded organic traffic.

- Built the Feature Launch Plan Framework: 26% lift in new feature adoption within 90 days.
- Launched the Pro Plan Free Trial across web, email and in-app: 21% lift in trial-to-paid conversion.

FunnelEnvy (B2B, revenue funnel optimization service provider)

- Built a quarterly demand generation roadmap across outbound, lifecycle and paid: 40% quarter-over-quarter lift in qualified enterprise leads.
- Designed a cross-brand measurement stack (GA4, Looker Studio, Lightdash, HubSpot) that cut reporting time 50%. Managed an outsourced content agency.

GTM & Product Marketing Consultant | Komfot Health | Nov 2025 – Mar 2026
Komfot Health (B2C and B2B2C digital health, Nigeria, Rwanda, Benin)
