PROFESSIONAL SUMMARY

Product marketer who resolves positioning ambiguity a company hasn't named out loud yet, then builds the story and the competitive frame around it. Works across categories he's new to by finding the real, evidence-backed gap rather than manufacturing domain fluency he doesn't have. Full-lifecycle owner, from positioning through launch and growth measurement, across B2B SaaS, FinTech, and consumer-facing products. More at jameppraise.xyz/work/prophecy-social.
