PROFESSIONAL SUMMARY

Growth marketer who runs paid, account-based marketing (ABM) and outbound directly in the platforms, and builds the systems that connect them to pipeline: scoring, routing, campaign taxonomy and attribution. Work has contributed to $10M+ in qualified pipeline across B2B SaaS and fintech companies. The outbound and research workflows run on Clay, n8n and Claude Code, and most roles have been the first marketing hire. More at jamespraise.xyz/work/yellow-card.

Selected Achievements:

- Built FunnelEnvy's Target Account Strategy and ABM Playbook on Clay, ExactBuyer and Instantly. **31% lift in enterprise meeting bookings, 27% increase in outbound reply rates.**
- Ran cold outbound for five FunnelEnvy client accounts on Clay, n8n, Claude Code and Smartlead. Per client per month: **1,000 companies reached, 10 meetings held, $151,962 in pipeline created.**
- Generated **1,331 marketing qualified leads in 6 months** and grew B2B customers 500% as Head of Growth and Marketing at Bujeti, a fintech selling spend management to African finance teams.
- Run Meta and TikTok acquisition for JegzFits Leatherworks at about **6.5x return on ad spend** on ₦2M a month of spend, held across years.
- Built a measurement system that reconciles ad platform reports against real checkout sales. It showed Meta cross-crediting sales between products and moved budget decisions onto backend data.
